GOOD GOVERNMENT,
GOVERNANCE, HUMAN COMPLEXITY
LUIGI EINAUDI’S LEGACY AND CONTEMPORARY SOCIETIES
Edited by
Paolo Heritier and Paolo Silvestri

The book presents an interdisciplinary exploration aimed at renewing interest in Luigi Einaudi’s search for «good government», broadly understood as «good society». Prompted by the Einaudian quest, the essays – exploring philosophy of law, economics, politics and epistemology – develop the issue of good government in several forms, including the relationship between public and private, public governance, the question of freedom and the complexity of the human in contemporary societies.

Il volume presenta un'esplorazione interdisciplinare volta ad attualizzare la ricerca del buon governo, lateralmente inteso come «good society» nel pensiero di Luigi Einaudi. I vari saggi – tra filosofia del diritto, economia, politica ed epistemologia –, sviluppano il problema del buon governo in diverse declinazioni: dalla relazione tra pubblico e privato alla public governance, sino alla questione della libertà e della complessità dell’umano nelle società contemporanee.

CONTENTS

PART TWO: GOOD GOVERNMENT AND PUBLIC GOVERNANCE. Alessio Lo Giudice, Patterns of identity in the perspective of European governance • János Frivaldszky, Good governance and right public policy • Roberto Caranta, Good administration in the age of governance • András Zs. Varga, Legal control of administration: premise of good government • Alessandro Ciatti, Freedom of contract and good government • Alberto Andronico, The dark side of governance.

PART THREE: GOVERNANCE AND LIBERTY: THE COMPLEXITY OF THE HUMAN. Flavia Monceri, Rethinking ‘good governance’. Complex societies and individual differences • Magda Fontana, Policy in complex social systems • Francesco Di Iorio, Mind, market and open society in Hayek’s thought • Enzo Di Nuoscio, The laic chooses critical reason • Graziano Lingua, The economy of images, or the symbolical horizon of social exchange • Paolo Heritier, Useless non-preaching? The critical point and the complex anthropology of freedom in Luigi Einaudi • Paolo Silvestri, Afterword. Invisible cities: which (good-bad) man? For which (good-bad) polity? • List of contributors • Index.
