Where, oh where, has my manuscript gone?
Where, oh where, can it be?
With its word count cut short and its review time long
Where, oh where, can it be?

I worked so hard
I worked so long
Off it went
Off it's gone

When will it come back to me?

Days and weeks
Months, a year
When will it re-appear?

I think I see it
No, a mirage
I'm waiting for you, fingers crossed.
