

## CORRECTIONS

Correction for 'Modal Tableau Calculi', by W. Rautenberg, *JPL* 12 (1983), 403–423.

Rule (Bo), p. 406, contains a confusing misprint. The correct version is

$$(Bo) \quad \frac{X; \neg \Box P}{X; P \mid X; \Box \neg \Box P} .$$

Clearly, rule (K) has to be included in the tableau calculus for **B**.

Correction for 'A Fixed Point Theorem for the Weak Kleene Valuation Scheme, by Anil Gupta and Robert L. Martin, *JPL* 13 (1984), 131–135.

The last sentence of note\* on p. 135 should be replaced by the following:  
"Martin wishes to thank Peter Woodruff for suggesting the key idea for proving the theorem; Woodruff attributes the idea to Kit Fine."
