Dear Reader,

Unfortunately the paper by Prof. Diego Julio Cirilo-Lombardo, “Non-compact Groups, Coherent States, Relativistic Wave Equations and the Harmonic Oscillator” which was published in Foundations of Physics, has been published twice.

The paper, in a correct final form, has been published in Foundations of Physics, volume 37, issue 6, June 2007, pp 919–950.

An earlier incorrect version of the paper has been published by mistake in Foundations of Physics, volume 37, issue 8, August 2007, pp 1149–1180. Please do not use this paper for citations or any other purpose.

We sincerely apologize for this mistake and for any inconvenience this may have caused.
