**Erratum to: Synthese**  
**DOI 10.1007/s11229-014-0525-z**

The first sentence of Section 4 should begin, “From the preceding sections, we can conclude that for the JL paradox to arise, it is sufficient that there exist *three scales* in the parameter space  $\Theta$ ...” rather than “From the preceding sections, we can conclude that for the JL paradox *three scales* in the parameter space  $\Theta$ ...”. (Eight words were deleted by mistake during the last edits by the author.)
