Erratum to: Int J Philos Relig DOI 10.1007/s11153-016-9586-x

In the original publication of this article, a portion of text that should have appeared in footnote #15 was mistakenly removed and placed in the main text. The first paragraph of footnote #15 ends with this sentence: “*That is, one could deploy a modal version of the present argument, along the following lines:*”. Here there should have followed, in the same footnote, the eight-premise modal argument. That argument was mistakenly transferred to the main text.

The online version of the original article can be found under doi:[10.1007/s11153-016-9586-x](https://doi.org/10.1007/s11153-016-9586-x).
