Due to a regrettable oversight on my part, the proper ‘acknowledgements’ section was not included in this article as originally published. That section should have read as follows.

**Acknowledgements** This paper was written during a post-doctoral fellowship at UNC Chapel Hill, funded by the Social Sciences and Humanities Research Council (SSHRC). I would like to express my thanks to the government and taxpayers of Canada for this generous financial support. Sincere thanks are also due to my supervisor at UNC, Marc Lange, for his valuable comments on multiple drafts.
