

ERRATUM

To Roger Ariew, 'Christopher Clavius and the Classification of Sciences',
Synthese 83 (1990), 293–300.

Owing to a printing mistake *Synthese* 83 (1990), 293–300 was attributed to the wrong author. In fact the article entitled 'Christopher Clavius and the Classification of Sciences' was by Roger Ariew, *not* by Yorick Wilks.

We apologise to all concerned for this regrettable mistake.
