Attention: Small Groups

DEAR FRIENDS ...

Spring is here!

Spring season brings us many celebratory occasions. Easter Sunday, weddings, graduations, and... more weddings! For Kate and me, our first son, Soren's will be turning "2" in a couple of months (in a way, it feels like he is already 2). On top of that, we will soon be celebrating the 100th day of our second son, Silas' life! So, celebration is one thing I want to do well this spring. I want to be there with "all" of myself.

One thing I want to be careful with, though, is my tendency to be on the increasingly faster pace of life. As I hustle through these happy and busy occasions of spring, I also want to grow deeper in Christ. I want to be fresh in my intimacy with God like flowers after a spring rain. It will also mean that I need to invest my time and emotional energy into friends in my small group who can encourage me to do so.

I know that it will take an intentional "slowing down" on my part. So I have to say "no" to some things I feel like I want to or must do. Frankly, that's not easy. So I pray for wisdom so that I know how to make space for God. I realize that I need to do this with others in my small group because I need all the help I can get.

As we begin the Spring Quarter, my encouragement to you is that you'd space for God in your daily life as well. Be careful with your busy schedules so that you don't put God on the back burner. Like me, you probably need to do this with others in your small group who can encourage you to do so.

If you are not yet connected with a small group of people to grow together with you, my hope is that you'd join a group this quarter. If you belong to a small group currently, be sure to make space for deeper relationships with God and others. As NewSong grows larger, let's also be sure that we grow smaller (= deeper) with God and with one another!

Warmly,

Paul K. Kim
Pastor of Ministries and Small Groups

acorns

("Artistreehouse"-Creative OR Not-Study)

Study: Inductive study of Ephesians geared towards intimacy with the Creator through his Word as a springboard for "artful" living that glorifies and pleases God and allows us to enjoy Him more. "The one true mark of a saint of God is the inner creativity that flows from being totally surrendered to Jesus Christ. In the life of a saint there is this amazing Well, which is a continual Source of original life. The Spirit of God is a Well of water springing up perpetually fresh" (from Oswald Chambers, My Utmost To His Highest).

Noah's Place

(Children's Ministry)

Noah's Place is a fun and safe place for children to learn about Christ and Christlike character. We serve families and children of Newsong during all 3 services, from birth to 4th grade. If you have children or if you're interested in volunteering in this exciting and growing ministry, come check us out! Birth to 2-year Olds

We have a nursery staffed with loving and nurturing caregivers who's primary purpose is to provide a safe, clean, stimulating and fun environment for infants, crawlers, and walkers. We also introduce very basic concepts about God, Jesus, and the church. Our desire is

for parents to leave their small children with confidence, so their hearts and minds are fully focused on worshiping and learning about God.

Toddler (age 2) and Pre-Schoolers (ages 3 & 4)

For this group, we utilize fun, "hands-on" curriculum that teaches age appropriate bible truths in fun and creative ways. Also, children get their first experience in a small group as their leader shepherds and cares for them.

K-4th Graders

Exciting, creative, and relevant curriculum are used to teach these growing kids biblical truths in a fun and application-oriented way. Children receive their main teaching in a large group format, then break up into small groups for discussion and application. Kids leave wanting more! We also have special choir programs for K-1st and 2nd-4th graders during 1st and 2nd service.

Youth Small Groups

Lives of today's youth are filled with stress and pressures from school, peers, and home. For this reason and more, it is essential that students connect closely with an adult youth leader and peers at a small group of their own. Students will not only receive guidance through the Bible but also love and care through prayer, accountability, and counsel. Small groups are grouped by gender and grades and meet every Sunday during second service. Sign up and start building REAL relationships today by contacting Peter Park!

The Grill

LAUGH, LEARN, LIVE! It's an awesome time of fun, food, sharing, and interactive talks on HOT topics for today's teens. This is a happening place! Come join all students every Saturday (except the last of each month) from 7pm-9pm in the Fellowship Hall (next to the main sanctuary).

Super Saturday

FORE! TURKEY! AAAHH! These are just some of the things you might hear at a Super Saturday. SS gives students an opportunity to bond through wild fun, crazy games, and just let it all OUT! SS's happen the last Saturday of every month. BE THERE!
