

NOTES AND NEWS

2. On different aspects of the Concept of Information.
3. The Cybernetics and the Education.

Moreover, 120 papers will be presented by more than 100 scientists and researchers, coming from 27 countries, in the four Sections of the Congress: Principles of Cybernetics and General Theory of Systems -- Cybernetics in Social Systems -- Cybernetics in Mechanical Systems -- Cybernetics in Biology and Medicine.

The official languages of the Congress are: French and English.

Further information available from the Secretariat of the International Association for Cybernetics: Palais des Expositions, Place Andre Rijckmans, 5000 Namur (Belgium).

ERRATA

In Stephen E. Braude's paper "*Tenses, Analyticity and Time's Eternity*" (This volume, No. 1, pp. 39-48), the sixth line should read

A past-tense sentence 'S was ϕ ' (or 'S ϕ d') is true *iff* S is ϕ (or is).

Formula (7) should read: $Fp \vee \sim Fp$, and formula (20) starts with an existential quantifier and not a universal one.
