The Power of Phenomenology

Psychoanalytic and Philosophical Perspectives

Robert D. Stolorow, Founding Faculty Member, Institute of Contemporary Psychoanalysis, Los Angeles, and Institute for the Psychoanalytic Study of Subjectivity, New York and **George E. Atwood**, Professor of Clinical Psychology (Emeritus), Rutgers University, and Founding Faculty Member, Institute for the Psychoanalytic Study of Subjectivity, New York

The Power of Phenomenology took form when the two authors realized that a single theme has run through the course of their almost half-century-long collaboration like a red thread—namely, the power of phenomenological inquiry and understanding in a wide range of contexts. This book demonstrates how they have experienced the power of phenomenology in their therapeutic work with patients, especially those struggling with horrific trauma; in their encounters with psychological and philosophical theories; and in their efforts to comprehend destructive ideologies and the collective traumas that give rise to them.
