“Speaking and Writing: Comparisons of Two Psycholinguistic Siblings” by Donna A. Van De Water, Laura A. Monti, Paul B. Kirchner, and Daniel C. O’Connell. *Bulletin of the Psychonomic Society*, 25 (2), 99-102.

The mean pause durations in the abstract were incorrectly reported. Instead of mean pause durations of 110 and 0.97 sec for writing and speaking, respectively, the durations were 1.00 and 0.97 sec. We apologize for the error.
